The image shows four Easter egg houses, each with a triangular roof and a rectangular body. The roofs are labeled with the numbers 7, 8, 9, and 10. Each house has a grid of numbers from 1 to the roof number, with empty boxes for completion. The houses are decorated with cartoon characters: a green striped worm at the bottom left of the first house, a pink striped egg with arms and legs between the first and second houses, a yellow spotted egg with arms and legs between the second and third houses, and a green striped worm at the bottom right of the fourth house.
