

Τα παιδιά χρησιμοποιούν διαφορετικούς τρόπους, για να βρουν το άθροισμα των λευκών και μαύρων πλήκτρων ενός πιάνου.

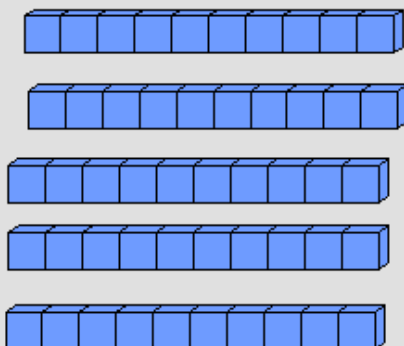

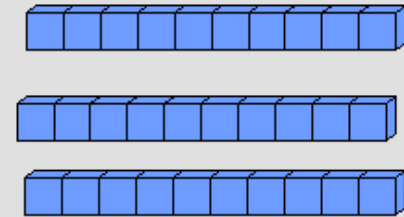

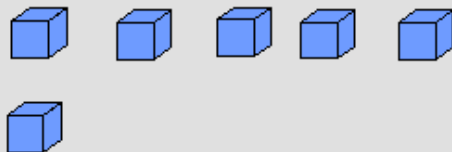

Ένα πιάνο έχει 52 λευκά και 36 μαύρα πλήκτρα.

$$52 + 36 = \underline{\quad}$$

$$52 + 36 = 88 \quad 50 + 30 = 80, 2 + 6 = 8, \text{ άρα } 80 + 8 = 88$$

Μύρια

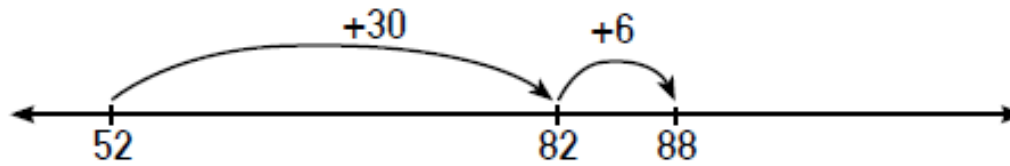

$$50 + 30 = 80$$

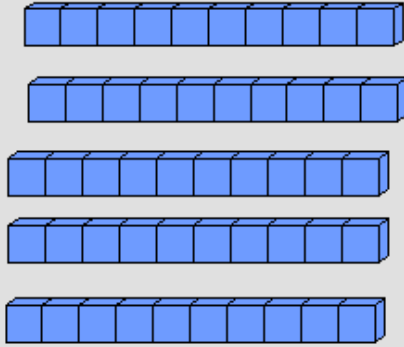

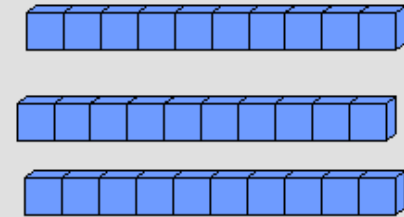

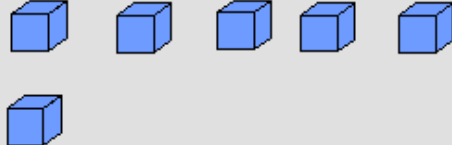

$$2 + 6 = 8$$

$$80 + 8 = 88$$

$$52 + 36 = 88$$

Αναστασία

$$52 + 30 = 82$$

$$82 + 6 = 88$$

$$52 + 36 = 88$$

Νικόλας

The image shows a base ten block model for the addition  $52 + 36 = 88$ . On the left side, there are 5 tens rods and 2 units cubes, representing the number 52. On the right side, there are 8 tens rods and 8 units cubes, representing the number 88. A dashed horizontal line separates the tens and units sections. A trash can icon is located in the bottom right corner of the block area.

$$52 + 30 = 82$$

$$82 + 6 = 88$$
